The 2014 - 2015 Boardman High School Varsity Swim Team has just entered its 30th year under the leadership of Head Coach Terry O'Halloran!! Over the past 29 seasons this outstanding program has produced countless success stories both in and out of the water. These dedicated student athletes, along with their coaches, are at the high school three mornings a week at 6:00am for weight training and then train at the YSU pool for six two-hour practices per week after school. They are all committed to achieving success in the classroom and the pool.

Please help our team to continue to be successful!

Generous supporters like yourself play a tremendous part in the programs success. If you have been a past supporter of BHS swimming we sincerely appreciate your support and hope you will renew your support again for 2014-2015 season.
